

*Looking for today's newspapers online?
Try NewsBank, available now on the LCC
Library website!*

Get Started:

1. Access NewsBank from the Logan City Council Libraries website loganlibraries.org
2. Click on *Discover > eResources > eNewspapers and eMagazines > NewsBank*.
3. Enter your Library Card number and PIN when prompted.
4. Click on Access World News to enter or use one of the handy Search Shortcuts.
5. **Note:** you *do not* need to create an account, however you may do so in order to customise your search experience and save articles.
 - a. You will find the **Register** link under Personal Accounts on the landing page.

Newspaper Browsing Tips:

1. To find and browse through the content of a **single newspaper** including today's papers:
 - a. Click on 'Publication' located under Browse By on the left hand side of the home page.
 - b. From there search for the title of a newspaper using the search box.

Browse by:	
Source Type	9,303 Publications Select Multiple Publications
Publication	Filter Publications below <input type="text"/>
World Region	Publication ▲ Related Titles
Country	100 Mile House Free Press (British Columbia, Canada) ---
State and Territory	100Reporters (USA) ---
Region	101 Things to Do (Houston, TX) ---
Province	
City	

- c. Once you arrive at a newspaper's browsing page, choose **Recent Issues** from the list or browse through all **Available Issues** from the calendar menu.

Albert & Logan News (Brisbane, Australia)

2. To browse available newspapers from a particular **place**, you could use the **World Region, Country, State and Territory, or City** options located under Browse By on the home page.

For example, you could select the 'Country' filter, then search for or select *Australia* from the list.

Searching Tips:

1. The search function is *GREAT FOR RESEARCH!*
2. To run a **simple Google-like search** to find news and information on a **topic**, enter some keywords into the top search box on the home page, in the box beside 'All Text.' Click 'Search'.

3. It can be handy to use "quote marks" to search for an exact phrase.
4. To run a **complex search**, enter your keywords as well as the parameters you are interested in, such as date or author. You can add extra search rows to do this. Click Search.
5. You can also **add filters** *after* running a search. Filters appear in the left-hand panel under 'Results'; you may limit your results to, for instance, a particular newspaper, location or language.
