

Local Studies Tutorial Sheet 2

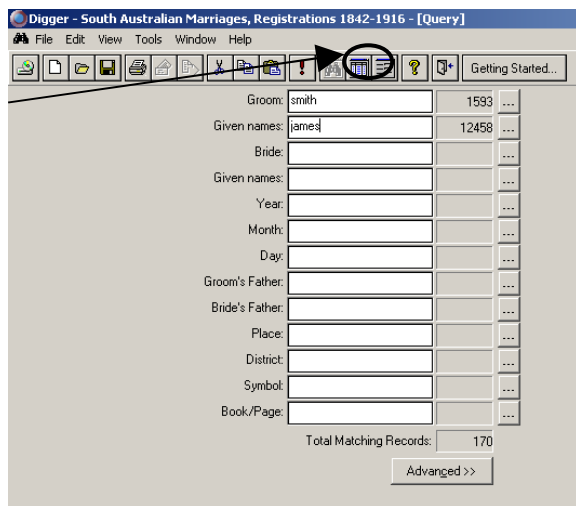

Genealogy CD-ROMs

1. Insert disc for area and time frame you wish to search.
2. From either the “CDROMS” link on the desktop or “Start” → “Programs” → “Macbeth Applications” choose the Digger shortcut for the disc you are looking at.

3. When the search screen start with what you know about the person hitting “Enter” after every entry eg. Smith “Enter”

Result Page

4. After each Enter the database will be searched and a collated total number of matching records displayed at the bottom
5. A * will replace any number of letters in a name so you can get various spellings without doing a search for them all.
Eg. Smith* = Smith, Smithson, Smithy
Ann* = Ann, Anne, Annie

6. Click on the Results Page Icon to see the total results
