10monkeys
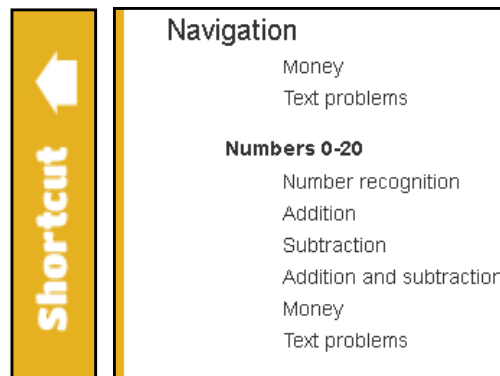

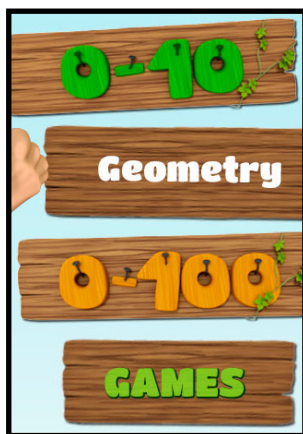

MathsWorld

Looking for kids maths programs online?
Try *10 Monkeys* available now on the Logan City Council Libraries website

Get started:

1. Access *10 Monkeys* from the Logan City Council Libraries website loganlibraries.org
2. Click on Discover> eResources> *Kids> 10 Monkeys*
3. Enter your Library Card number and PIN when prompted. Press **ENTER GAME**

Game set up tips:

1. Choose your language preference by clicking on in the ⚙ top right hand corner.
2. Select a game from the tiles on the Home Page or the Shortcut tab at the bottom of the page.

3. Collect stars and rewards as you complete levels. To store your rewards create a profile.
4. Click on the ladybird 🐞 for help with each level and the speaker symbol 🔊 for sound control.

Using the mobile app:

1. Please note, you must use your personal account to buy the apps, which are not included in the Logan Library subscription package.
2. You can play these games on tablets and smartphones via the Logan Library website. It is best to use landscape mode.
