**Free activities at your local library and in the community**

Did you know that the things your child learns in the first five years last their whole life?

- You can build your child's language and learning skills by attending our First 5 Forever programs.
- Start now by attending a *Baby time*, *Toddler time* or *Story time*.
- Learn skills to continue your child's learning at home.
- Join other families and help your child reach for the stars.
- Lots of fun, noise and playful learning!
