

Babies need words every day

Let's dance!

Galumph, went the little green frog one day
Galumph, went the little green frog
Galumph, went the little green frog one day
Galumph, galumph, galumph, galumph, galumph

Now we all know frogs go
Ladedadeda ladedadeda ladedadeda
We all know frogs go ladedadeda
But this little frog went galumph.

Children learn when you talk, play, read, sing, dance and move together.

Babies generally love the rhythmic movement of dance - remember, they were rocked and swayed in utero for nine months. The gentle movement of dancing is repeating this soothing stimulation.
