

Babies need words every day

Let's sing!

Toss your scarves, toss your scarves
Toss them way up high
Toss your scarves up in the air,
until they reach the sky!

Twirl your scarves, twirl your scarves
Twirl them round and round,
Twirl your scarves round one more time
Then let them all fall down!

Children learn when you talk, play, read, sing, dance and move together.

Sharing nursery rhymes and songs as you go about your day has benefits for your baby that lasts a lifetime. Right from day one, babies love the sound of your voice, music, singing and rhymes and it's a special activity you can share any place, any time.
