

Babies need words every day

Let's move!

Open, shut them
Open, shut them
Give a little clap clap clap
Open, shut them
Open, shut them
Lay them in your lap lap lap
Creep them creep them
Creep them creep them
Right up your chin chin chin
Open wide your little mouth
But do not let them in in in

Children learn when you talk, play, read, sing, dance and move together.

Singing songs and rhymes from birth is one of the best things you can do to help your baby learn and understand language. Songs with actions and repetition are especially good.
