

Babies need words every day

Let's sing!

Round and round the garden
Like a kangaroo
One jump, two jumps
A tickle here for you

Round and round the garden
Like a wallaby
One hop, two hops
A tickle here from me

Children learn when you talk, play, read, sing, dance and move together.

When we sing, we slow our language down which helps babies hear all the smaller sounds that make up words - an important early language and literacy skill.
