

Toddlers need words every day

Let's move!

If you're happy and you know it, wash your hands!
If you're happy and you know it, wash your hands!
If you're happy and you know it,
Then you really want to show it,
If you're happy and you know it, wash your hands!

(sing me twice!)

Children learn when you talk, play, read, sing, dance and move together.

Using soap, ask your child to rub and scrub to see how many bubbles they can make. Hands should be scrubbed for at least 20 seconds.
