

Toddlers need words every day

Let's talk!

I had a little turtle,
His name was Tiny Tim.
I put him in the bathtub,
To see if he could swim.

He drank up all the water (sluuuurp)
He ate up all the soap (num num num num)
I had to put him back to bed
With bubbles in his throat.

Bubble, bubble, bubble,
Bubble, bubble, pop

Bubble, bubble, bubble
Bubble, bubble, pop!

Children learn
when you talk,
play, read, sing,
dance and move
together.

Simply talking with your
child every day can help your
child develop language and
communication skills.
