

Toddlers need words every day

Let's talk!

Magpie, magpie flying all around
Magpie, magpie flying to the ground.
Magpie, magpie up in a tree
Magpie, magpie looking at me.
Magpie, magpie make a little nest
Magpie, magpie have a little rest.

Kulamburunn flying all around
Kulamburunn flying to the ground.
Kulamburunn up in a tree
Kulamburunn looking at me.
Kulamburunn make a little nest
Kulamburunn have a little rest.

(Magpie in Yugambeh - Kulamburum
(koo-lam-boor-roon))

Children learn when you talk, play, read, sing, dance and move together.

Talk, read, sing and play with your child in the language you know best. Talking with your child in any language works towards building lasting connections in their brain.
