Personalised recommendations

Personalised recommendations will show you items that you may want to borrow. These recommendations are based on your previous borrowing history.

1. Go to **loganlibraries.org**

2. **Log in** to your account with your **Borrower ID or username** and password.

3. On the left-hand side, locate the **Recommended for you** tab and click.

4. Recommendations in fiction, non-fiction will appear. Fiction and non-fiction read by others should also appear. You can press the **Show All** button to browse the selections.

Receive a recommendation alert email

Are you interested in receiving an email with reading recommendations? Follow these steps to create a recommendation alert email. You can also set up alerts for topics of interest or a series that you follow.
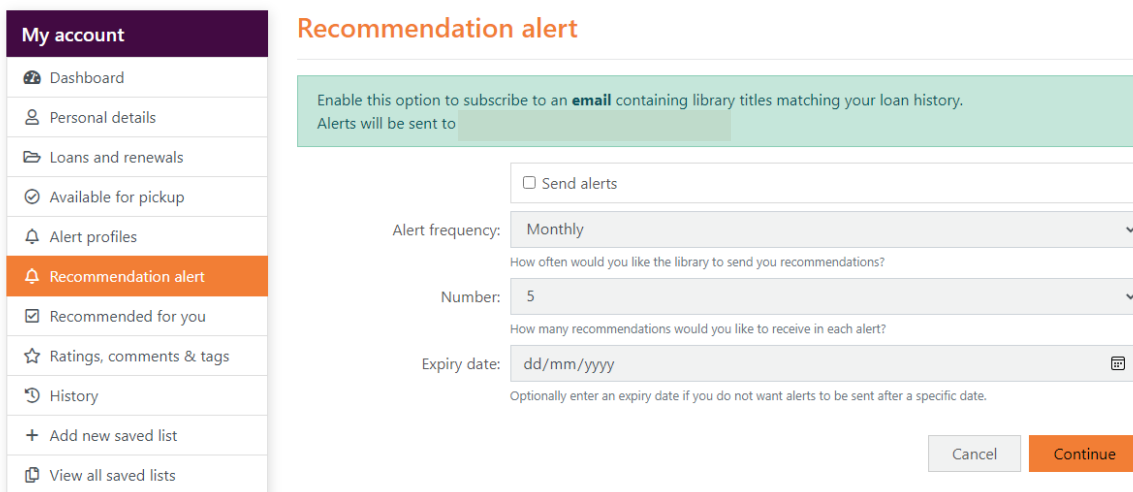

1. On the left-hand side, locate **Recommendation alert** and click.

2. Select **Send alerts**.

3. Select the drop-down menu **Alert frequency** to select daily, weekly, monthly, quarterly.

4. Select the drop-down menu **Number** to select how many recommendations you would like to be sent.

5. Select the **Expiry date** you would like the emails to expire on. You will not receive emails after this date.

6. Click **Continue**.

7. Please ensure your email address is saved in your account by checking in **Personal details.**
